GAIN KNOWLEDGE

What does it take to start a business? And is there any help to get? YES! Participate in **PHD-HUB FOULUM** and be introduced to the most basic considerations and resources available. Find out if entrepreneurship is for you.

EXPAND YOUR NETWORK

In science and business knowledge of potential partners is valuable. Participate in **PHD-HUB FOULUM** and boost your knowledge of relevant companies and strengthen your personal network. Then you know where to go to get help!

WHAT'S IN IT FOR YOU?

From 1 January 2018 Agro Business Park launches **PHD-HUB FOULUM** - a programme designed for PhD-students to give entrepreneurship a try and to build bridges to the local business community.

For six months you will have access to office space and business support whenever it fits into your schedule. You will also

be invited to participate in networking activities with local companies and an in-depth entrepreneurship course provided by Viborg Business Development Center. Finally, you will have the opportunity to pitch your idea to relevant experts.

And it's all for free!

STRONG AND EXPERIENCED TEAM BEHIND

For 17 years **Agro Business Park** has accelerated entrepreneurship related to the agricultural sectors including food, energy and environmental technologies.

20+ employees have great experience in facilitating development of new technologies, concepts and businesses. Apart from the facilities in Foulum, Agro Business Park operates incubators in Aarhus and Copenhagen and has a worldwide network of contacts and partners.

The primary objective of **Viborg Business Development Center** is to contribute to growth and employment in the municipality of Viborg.

This is created through more entrepreneurship, more cooperation, more knowledge and more exports.
